DESCRIPTION

The Cuneo Marine 31 is an innovative catamaran with clean and simple lines, offering a volume that was previously reserved for larger yachts.

This catamaran measures 350 m2, is spacious and comfortable and combines a wonderful sailing feeling with the space and safety of a motor yacht.

The fly-bridge houses all the control functions, a relaxation area and a bar area with barbecue served by a pass-through from the galley.

The Catamaran Cuneo Marine has a Jacuzzi on the lower deck immersed in a huge panoramic relaxation and dining area in front of which is the exceptional owner's cabin.

The starboard hull houses the four spacious guest cabins, with an additional convertible cabin. The port hull is reserved for the galleys and the crew.

PRICE: 3 600 000 € EXCL VAT
