A rare blend of retro charm and modern performance, the Mochi Craft Dolphin 51 captivates with its smooth lines, Italian craftsmanship, and refined comfort.

This single-owner yacht, used only three months a year and wintered ashore, is presented in immaculate condition.

Its distinctive style , inspired by classic American lobster boats, pairs beautifully with a warm interior where fine wood and leather create a sophisticated atmosphere.

Powered by twin MAN 900 hp engines, it reaches up to 33 knots in complete comfort. Fully refitted (electronics, upholstery, generator, mattresses, TV, air conditioning), it offers an elegant and serene cruising experience.

The enlarged aft garage accommodates a larger tender, ideal for extended escapes across the Mediterranean.
