## DESCRIPTION

The 2007 Riva 63 Vertigo is much more than just a yacht; it is a true work of nautical art, synonymous with Italian elegance and exceptional performance. Designed by the legendary Riva shipyard, this model embodies the very essence of luxury at sea.

Beneath its elegant appearance, the Riva 63 Vertigo conceals impressive power. Equipped with two 1,360 hp MAN engines, this yacht is capable of reaching a top speed of 40 knots.

The interior of the Riva 63 Vertigo lives up to its reputation. Spacious and luxuriously appointed, it offers all the comforts needed for extended cruising. The main saloon is bathed in natural light thanks to large panoramic windows, offering breathtaking sea views.
