

GOBBI ATLANTIS 42

GOBBI ATLANTIS 42

BUILDER : GOBBI

MODEL: ATLANTIS 42

YEAR: 2007

ENGINES : 2 x Volvo D6 310 cv

LENGTH: 12.74 M

CABINS: 2

- **Sporty, elegant design:** The aggressive, modern lines of the Atlantis 42 are always popular. Its low profile and large windows give it a dynamic look.
- **Pleasant performance:** The twin 310 hp Volvo D6 engines offer a good compromise between power and fuel consumption, allowing fast cruising at sea and easy manoeuvrability, especially in the ports of the French Riviera.
- **User-friendly cockpit:** The cockpit layout is ideal for enjoying life on the water, whether for lunch, relaxation or swimming.
- **Well thought-out interior layout:** The two cabins offer plenty of comfort for long stays on board and the open saloon encourages communication.
- **Dinghy garage:** A rare advantage for a boat of this size, very practical for nautical activities without taking up too much space on the platform.
- **Construction quality:** Under the aegis of Azimut-Benetti, Gobbi has benefited from a high level of build quality and finish.

PRICE: 199 000 € Vat paid

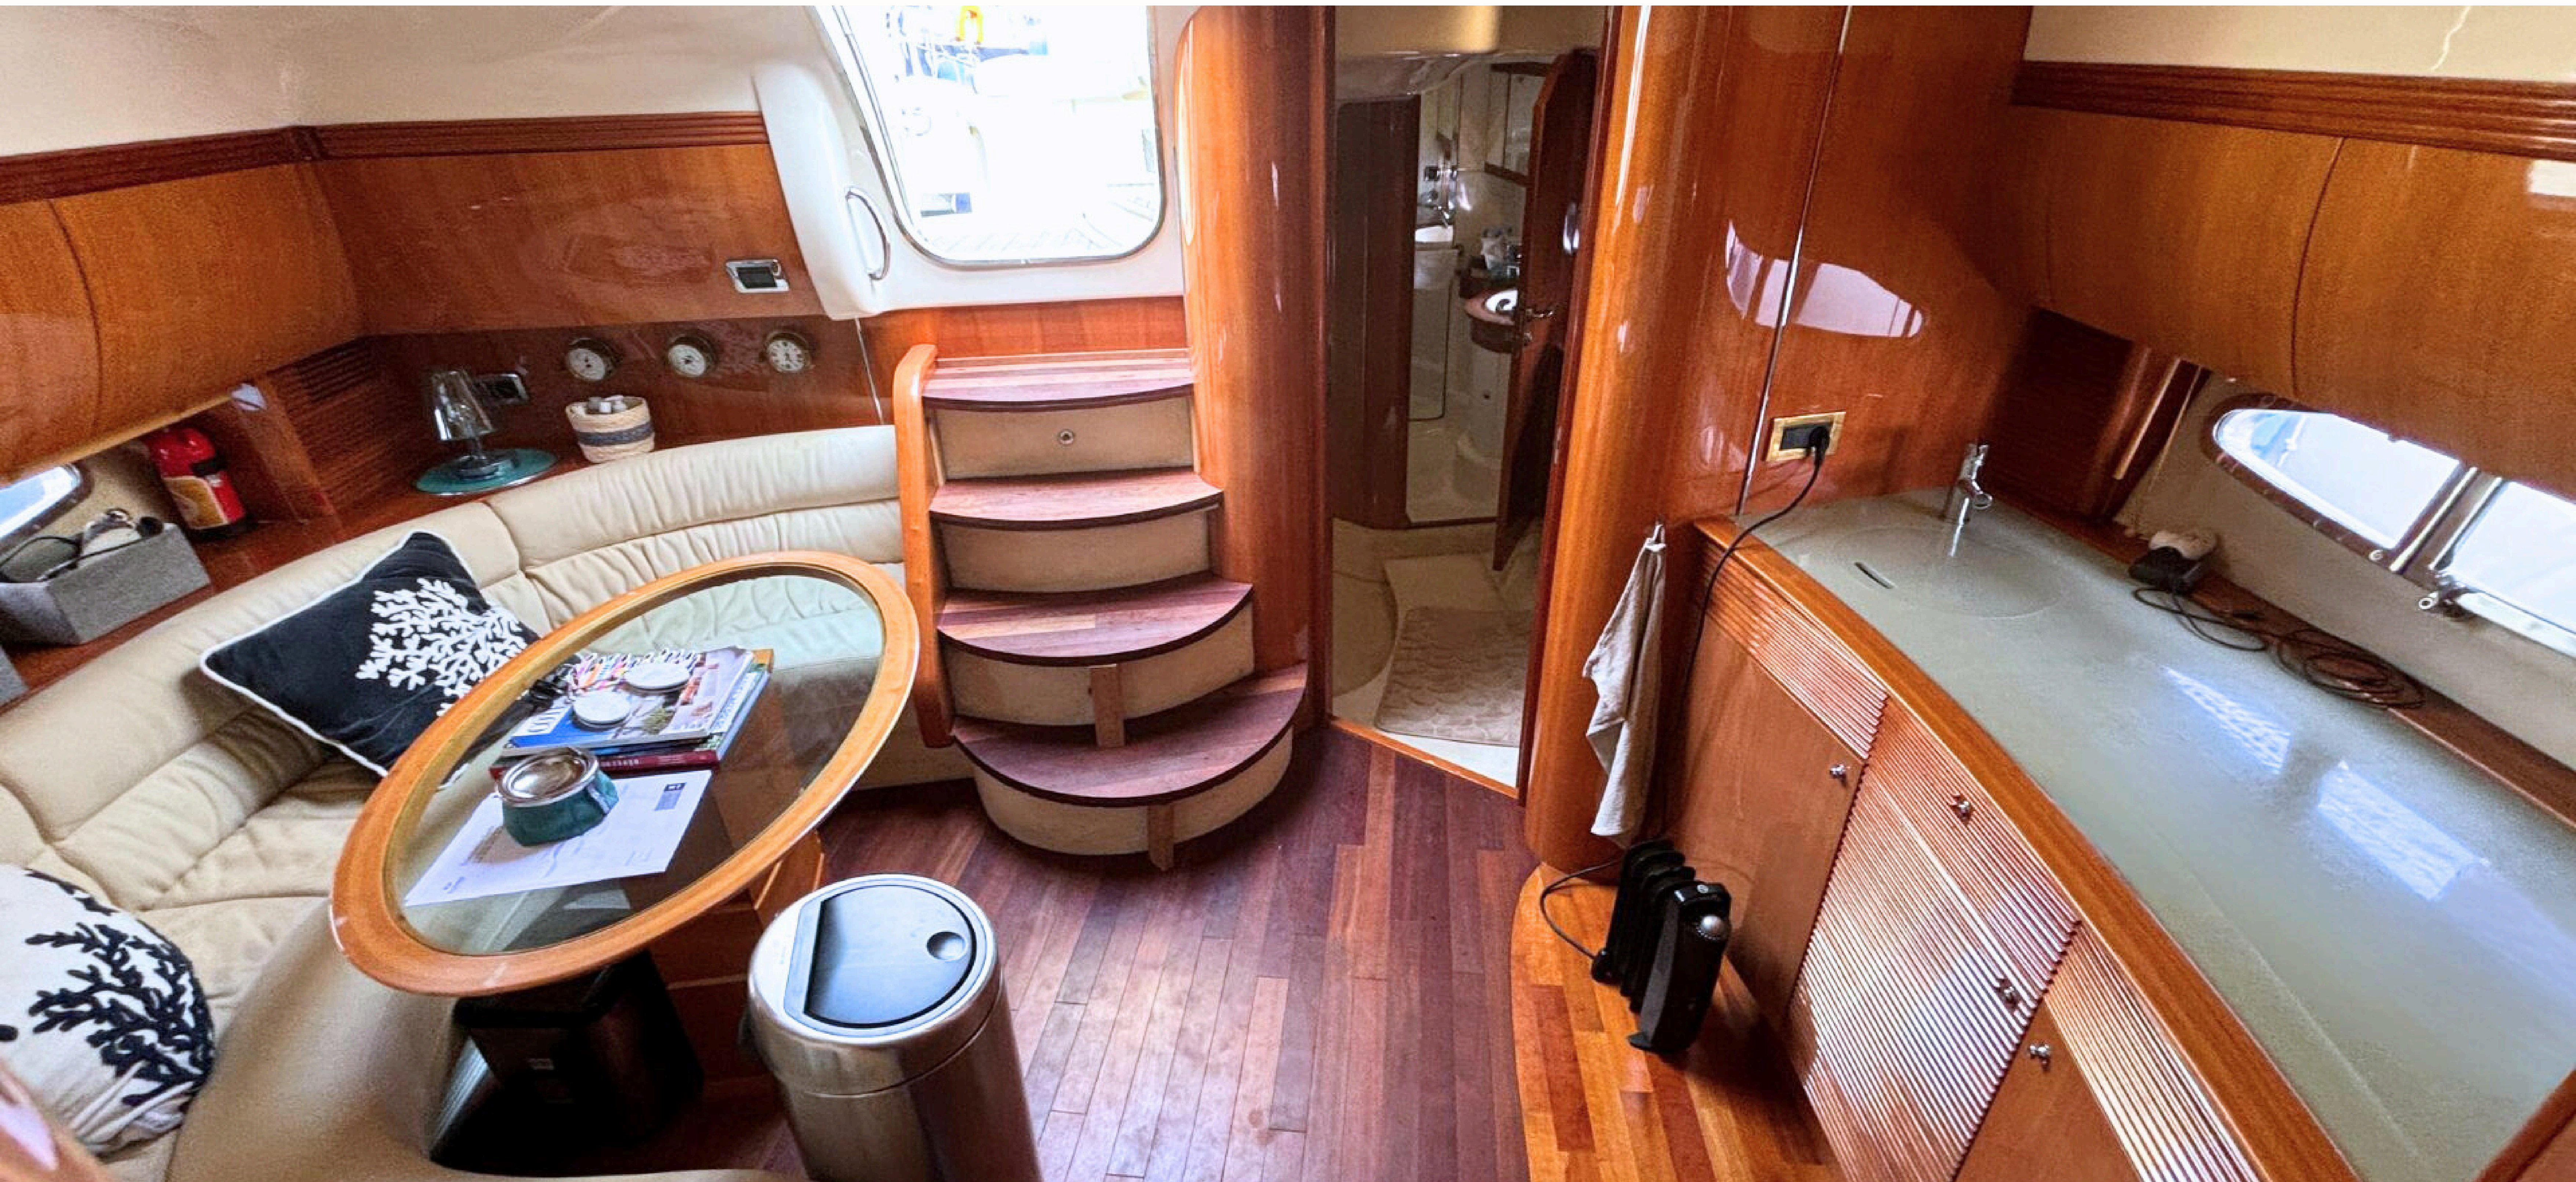

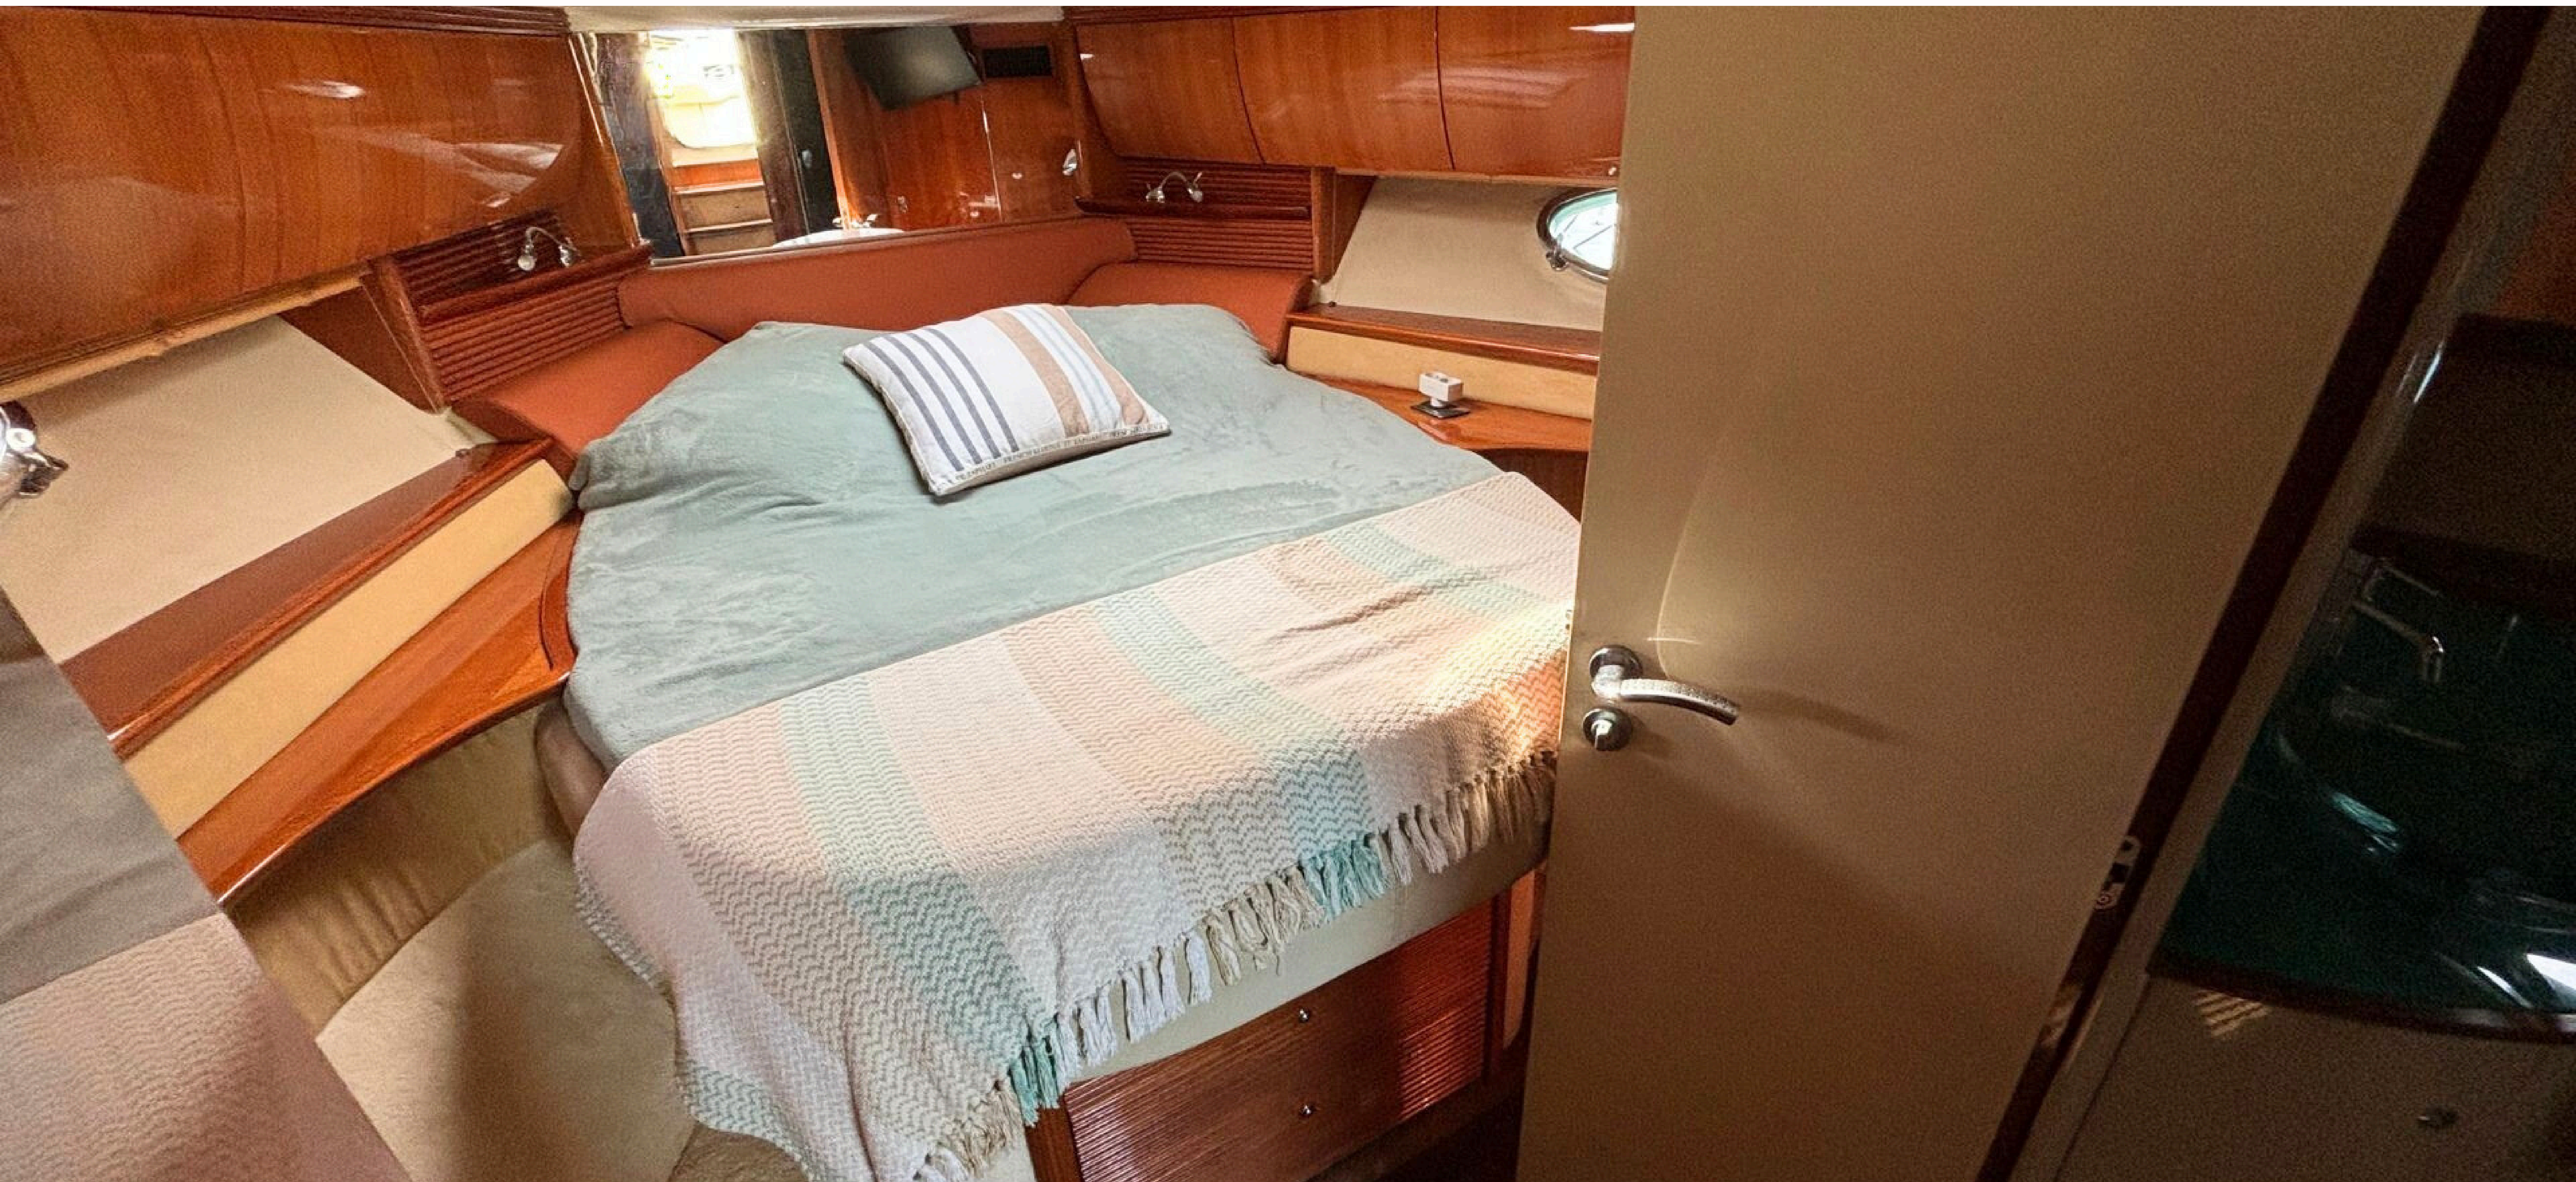

SPECIFICATIONS

BUILDER : Gobbi	CRUISE SPEED : 20 Kt
MODEL : Atlantis 42	MAX SPEED : 26 Kt
YEAR: 2007	GUESTS CABINS : 2
