The Gozzo 45 is a model that's very much of its time, topped by a particularly successful T-top and extended by a crescent-shaped bathing platform that helps to refine the overall lines.

The 26m<sup>2</sup> cockpit has a large C-shaped settee with a table that folds out to seat eight. The boat is easy and safe to handle and the hull provides excellent stability both at sea and when stationary. A must for comfort, this model combines design, performance and tradition.

A chic and glamorous version of one of the most emblematic boats of the Neapolitan harbours.
