Pirelli 35 – 2021 – Italian elegance meets pure performance

Sporty, sleek, and bold — the Pirelli 35 perfectly embodies the fusion of premium Italian design and exhilarating power.

Crafted by Tecnorib under official PIRELLI® license, this striking RIB impresses at first glance with its sharp lines, refined finishes, and F1-inspired DNA.

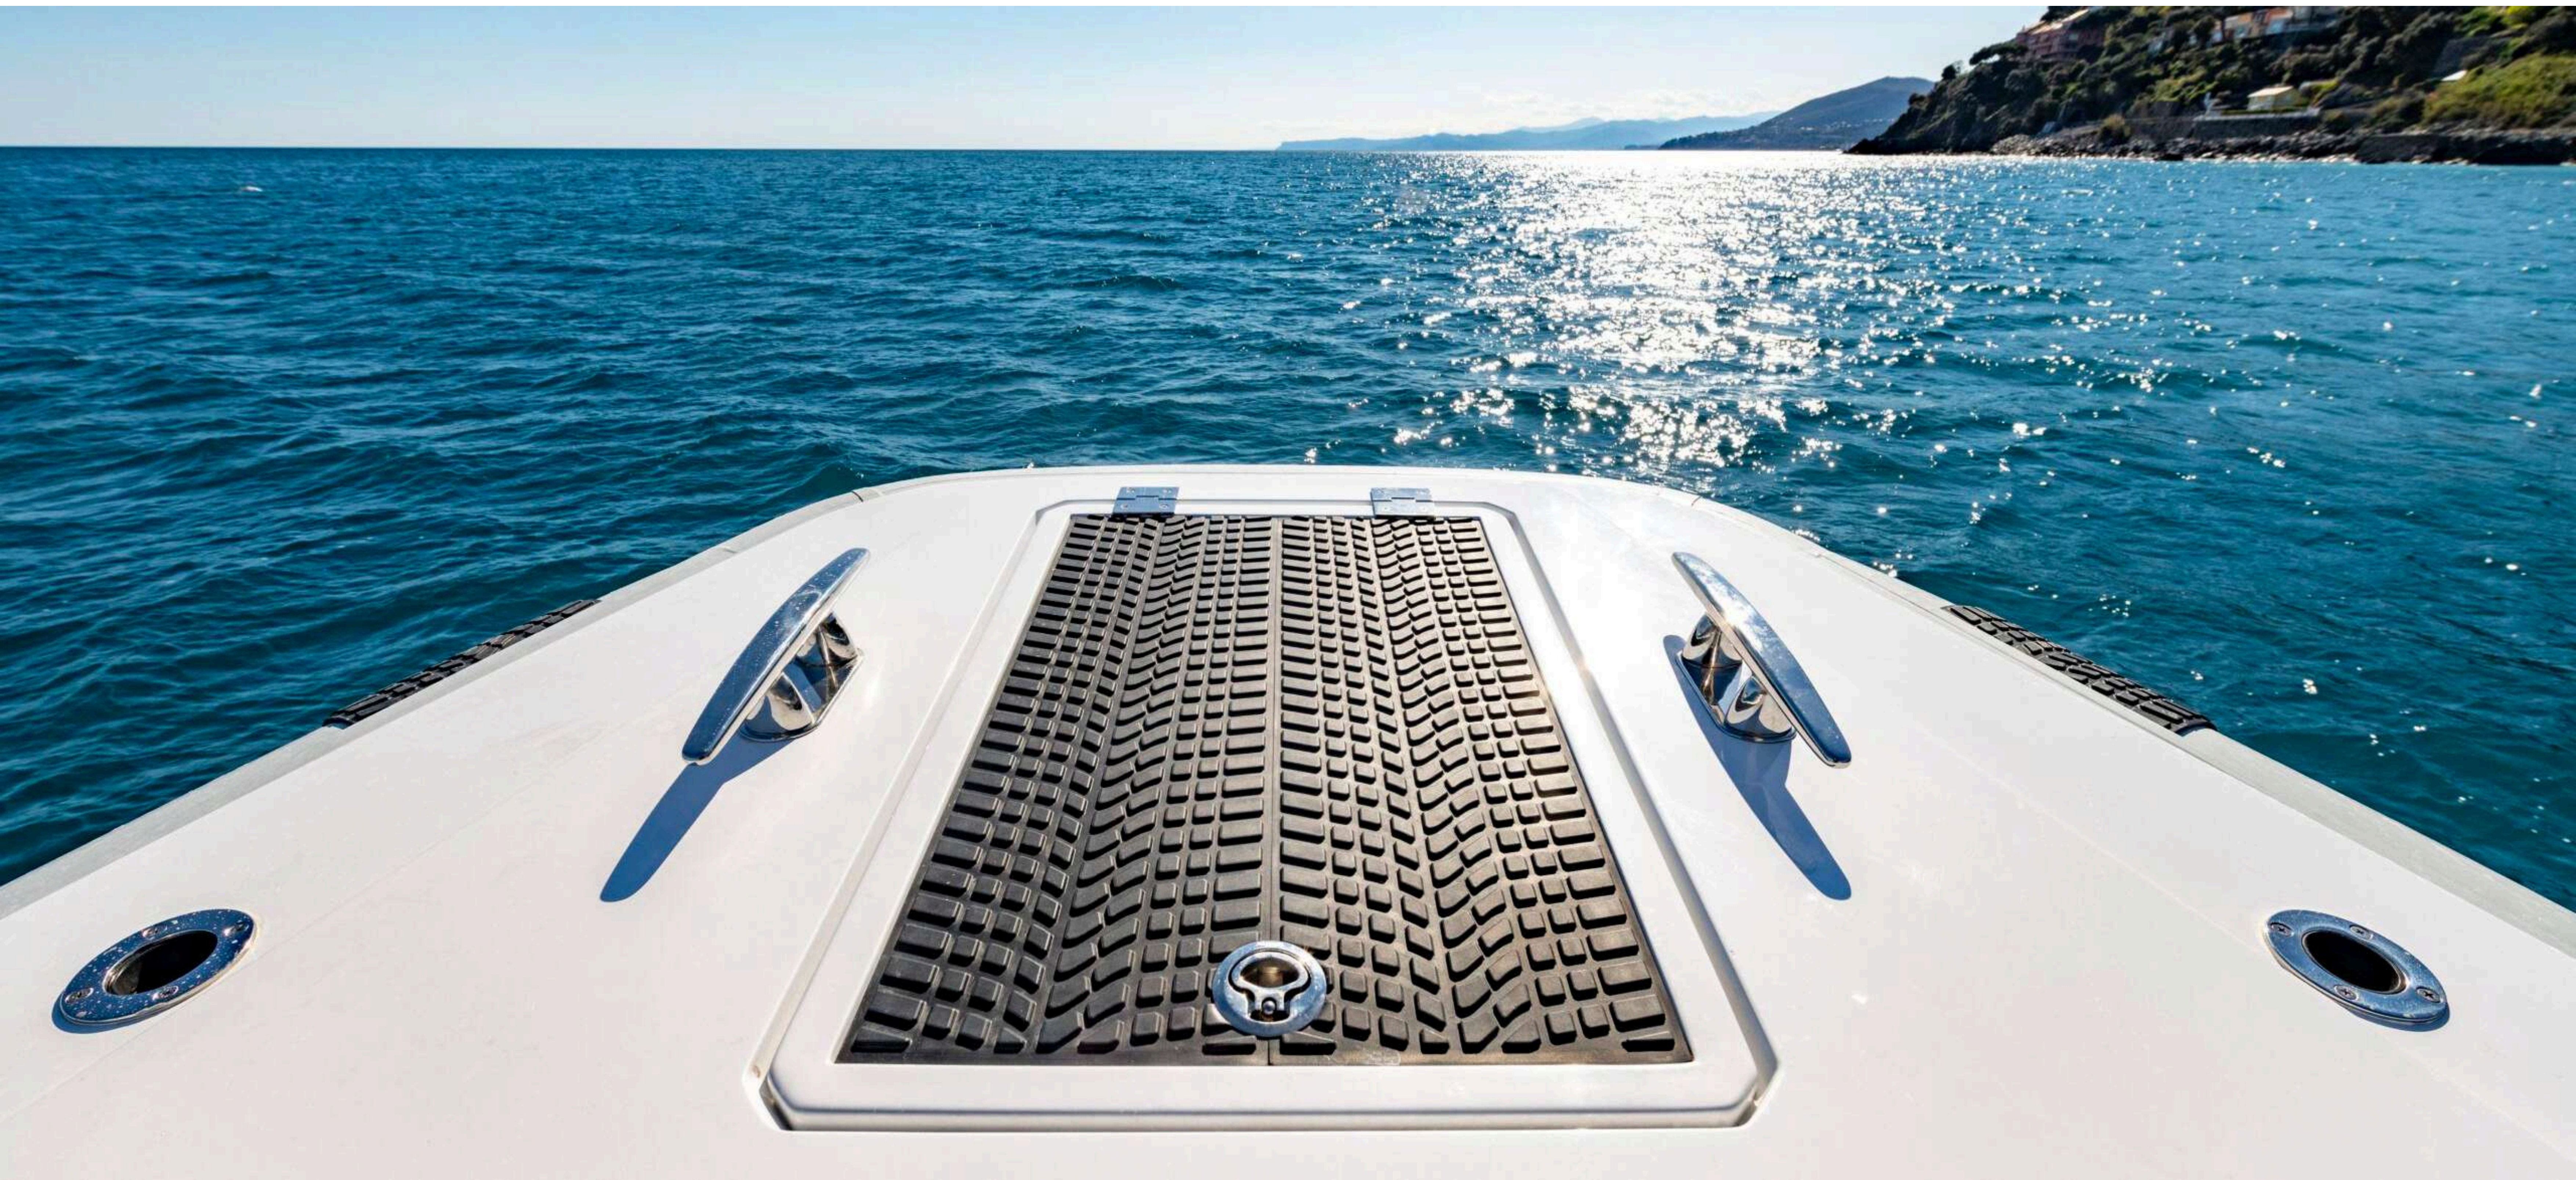

Powered by twin Mercury 300 HP engines, it delivers a smooth, powerful, and precise navigation experience. On board, the atmosphere is both chic and relaxed: a spacious modular cockpit, generous sunpad, and a double cabin with private bathroom make it ideal for weekend escapes at sea.

A characterful boat designed for those who seek style, speed, and comfort — with no compromises.
