A New Vision of Power Catamaran Luxury

Elegant. Visionary. Bold.

The YOT 53 redefines the power catamaran experience. Designed by JnJ Design and built by Catana Group, this 16.20-meter inboard catamaran blends cutting-edge innovation with refined aesthetics and spacious living.

Powered by Yanmar engines up to 2 x 550 HP, the YOT 53 delivers impressive performance, fuel efficiency, and long-range cruising capability. Its smart layout features a panoramic owner's suite with private terrace, an expansive rooftop lounge, modular cockpit areas, and fold-out side platforms that seamlessly extend the outdoor space.

Created for discerning yacht owners who seek innovation and sophistication, the YOT 53 combines modern design, luxurious comfort, and exceptional versatility.

Available in 3 or 4 cabin layouts – Launching 2026
