BEAM	3.70 M
ENGINES	2 X 270 HP VOLVO PENTA D4 SHAFT DRIVE

DESCRIPTION

The new Gozzo 35 is the latest creation of the famous Apreamare shipyard. The new design reflects the most modern concepts in terms of performance, stability and speed, emphasizing the elegance of the lines, the quality of the finishes in precious wood, the large and comfortable external spaces to enjoy the views of the coast and the sea.

The command post is located in the center of the boat.

The bow offers a large sundeck, very comfortable and panoramic, with an armchair at the end, to enjoy the navigation from a unique point of view.

At the rear, there is a large deck for comfortable lounging and the rear platform is easily accessible.

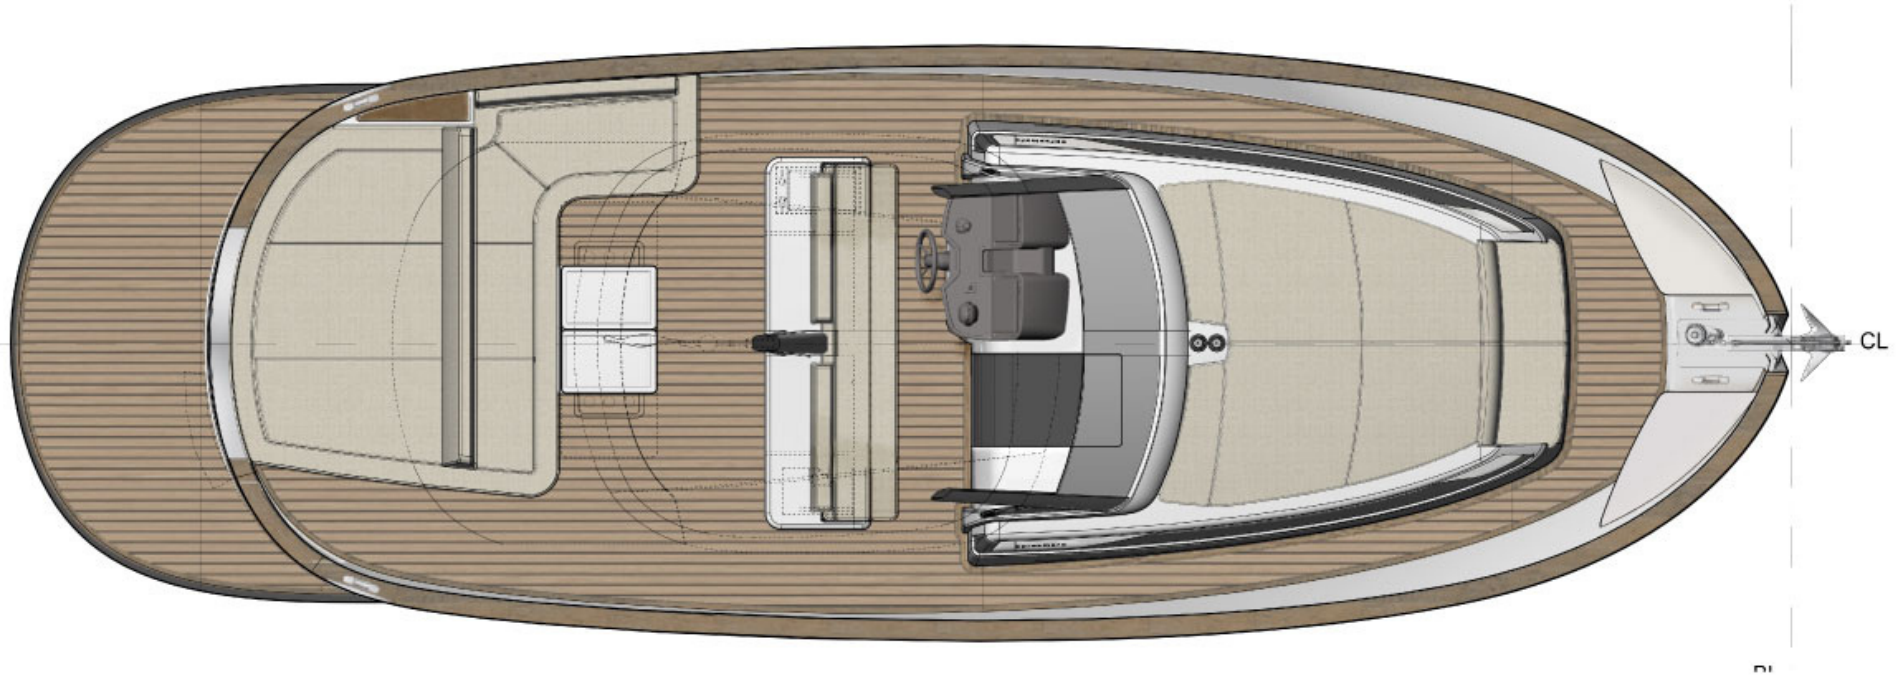

The central ladder makes it easy to dive into the water and get back on board.

The interior spaces are characterized by Mediterranean colors and offer comfortable interior spaces and a bathroom equipped with all comforts.

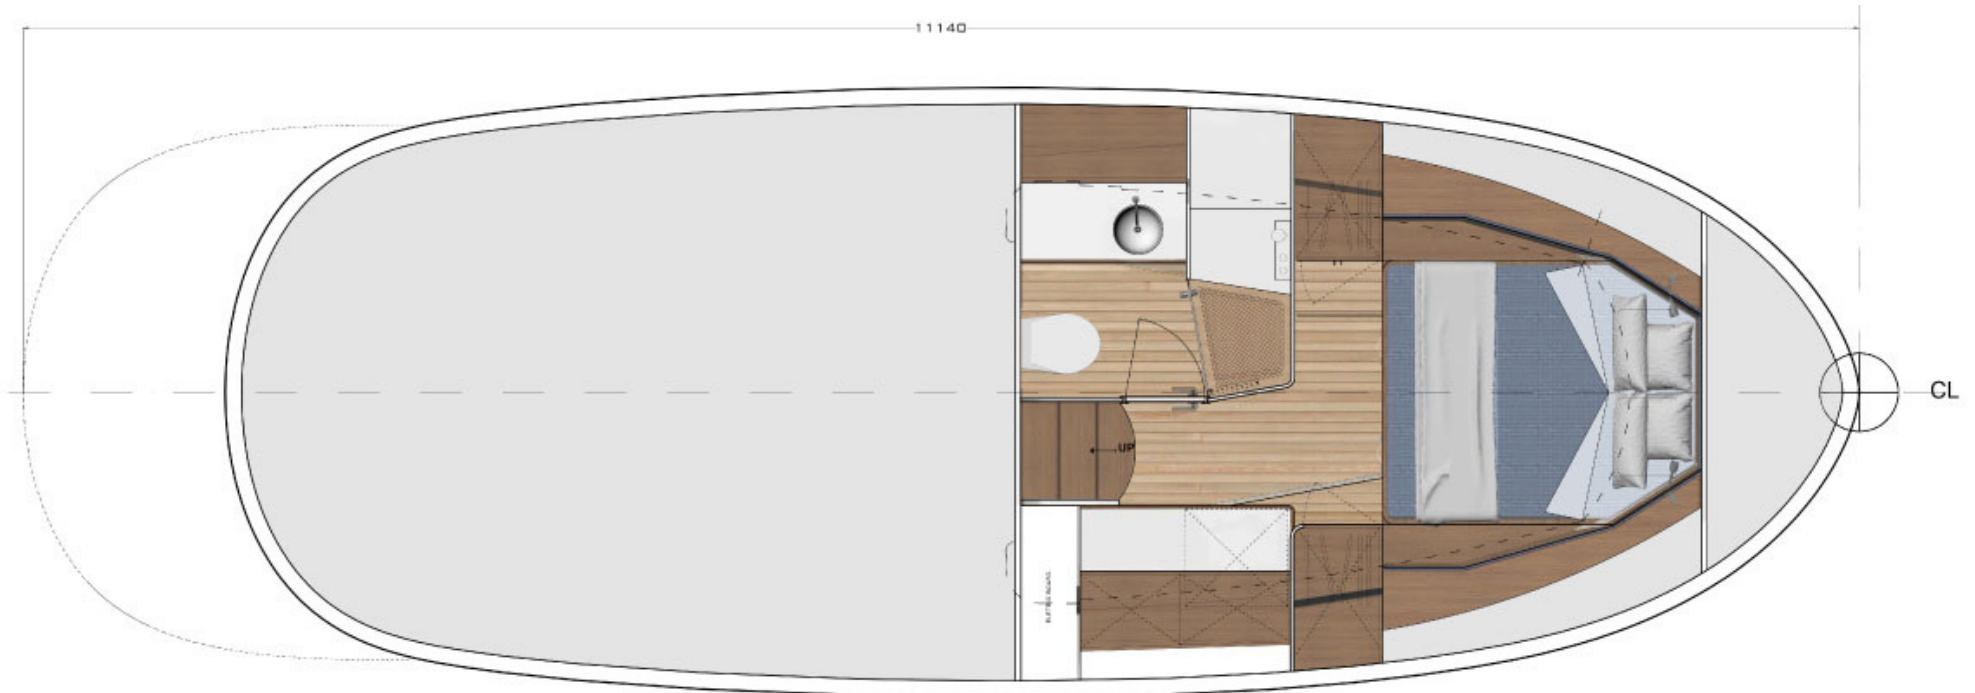

Ideal for your daily excursions, large spaces, sunbathing at the bow and stern, comfortable awning, shower and stereo system will make your day relaxing but above all to remember in the cold moments of winter.

The fully-equipped galley includes Oven, Cooker, Sink and Kitchen utensils.
