DESCRIPTION

Tradition, the essence of the brand, is observed and amplified in the new Gozzo 45. Deeply Mediterranean, this class cruiser starts with the total absence of steps on deck, in strict compliance with the walkaround philosophy.

The open concept enhances daily life at sea with comfortable and connected amenities: the generous aft platform, the two large sunbathing areas, the cockpit table that seats 8-10 people, the forward saloon, the large side decks and the high bulwarks.

The new Gozzo 45 defies expectations with a two-cabin layout below deck, including a dinette and two bathrooms.

The Gozzo 45 offers a beautiful continuity with the exterior promoting space, air and natural light.
